

## 2024 Road to PGA - Fact Sheet & FAQ

### **What is the Road to the PGA?**

The Road to the PGA is a simple grass roots - club engagement concept, developed to link the Australian PGA Championship primarily with localised Golf Club members in Queensland and northern New South Wales, however any club throughout Australia is invited to host an event

### **What is the benefit to my club of running a Road to the PGA?**

By running a Road to the PGA event, your Club will give golfers not only the cheapest event ticket to the Australian PGA Championship (for their \$10 entry fee they receive one any day General Admission ticket valued at \$35) but a unique chance to play the tournament course before the Pro's do.

### **How do I run a Road to the PGA event?**

Simply nominate one individual format (Stableford, Stroke or Par etc) day whereby your club/resort can host a "Road to the PGA" event concurrent to your existing member competition (this does not replace your current fixture competition, rather provides another opportunity for members on the day). Your members then elect to pay the \$10 entry fee and the winner is decided from those registered participants. In the event of a tie, a count-back should take place to decide the winner.

### **How do I register my club for the Road to the PGA?**

You can register via the form or contact [matthew.sellars@golf.com.au](mailto:matthew.sellars@golf.com.au) to request an entry form. Once received, a staff member will be in contact with you to finalise your details. Please note you must complete the electronic entry form to secure your place in the Road to the PGA competition.

### **When do I have to host my club's Road to the PGA event?**

You will need to run your event(s) by Sunday 10<sup>th</sup> November, 2024.

### **How many Road to the PGA events or weeks can I run?**

Each club is allowed to host up to five events. Each event must have a minimum of ten (10) players competing in the event or throughout the week in order for the winner to progress to the Championship Final.

### **How do my members redeem their Australian PGA Championship ticket?**

Participants will be sent an email from the PGA of Australia following the event with further information on redeeming their ticket. Please note, the email addresses will be those that are sent to the PGA by the club, so ensure the spreadsheet of names and email addresses is accurate and sent back to avoid disappointment.

### **Championship Final:**

The Championship Final will be held on Sunday 17<sup>th</sup> November at the Royal Queensland Golf Club (valued \$350 - visitors fee). All Championship finalists will be competing for 2 x Kirkwood Club tickets to the Australian PGA Championship on the first day of the tournament, Thursday the 21<sup>st</sup> November (prize valued at \$940).

All players will be provided with lunch following the final. The course will be set up ready for the Australian PGA Championship, therefore the course will be in mint condition, the grandstands will be set up and as will the signage. The Championship Final provides amateur golfers with the closest professional tournament like experience possible.

Optional Guest Package – don't play in the event but receive lunch post-round (\$40 payable to the PGA)
